

## Getting started with Fonn

### Creating a Task

Tasks can be used for personal 'To Do' lists and for Project Managers to communicate actions needing to be done on site.

#### Creating a Task on desktop

1. Go to your project
2. On the left-hand menu, select Tasks
3. Click the 'Add Task' button

4. A screen will slide open from the right-hand side.

Fill out your task details:

Description = Task Title

Comment = Task Description/Additional Comments

Responsible = Assign the person responsible for this Task

Due Date = Add a date you would like this to be completed by

### New Task

<p>DESCRIPTION <span style="float: right;">*</span></p> <p>Fix door hinge</p>	<p>RESPONSIBLE <span style="float: right;">Edit</span></p> <p><span style="background-color: #007bff; color: white; padding: 2px;">JL</span> James Lewis</p>
<p>COMMENT</p> <p>Please fix the hinge on the door within GF - Room 3</p>	<p>DUE DATE <span style="float: right;">Edit</span> <span style="float: right;">🗑</span></p> <p>📅 Oct 30, 2021</p>

Save Cancel

5. Your task is now added, you can view it within the Task screen.

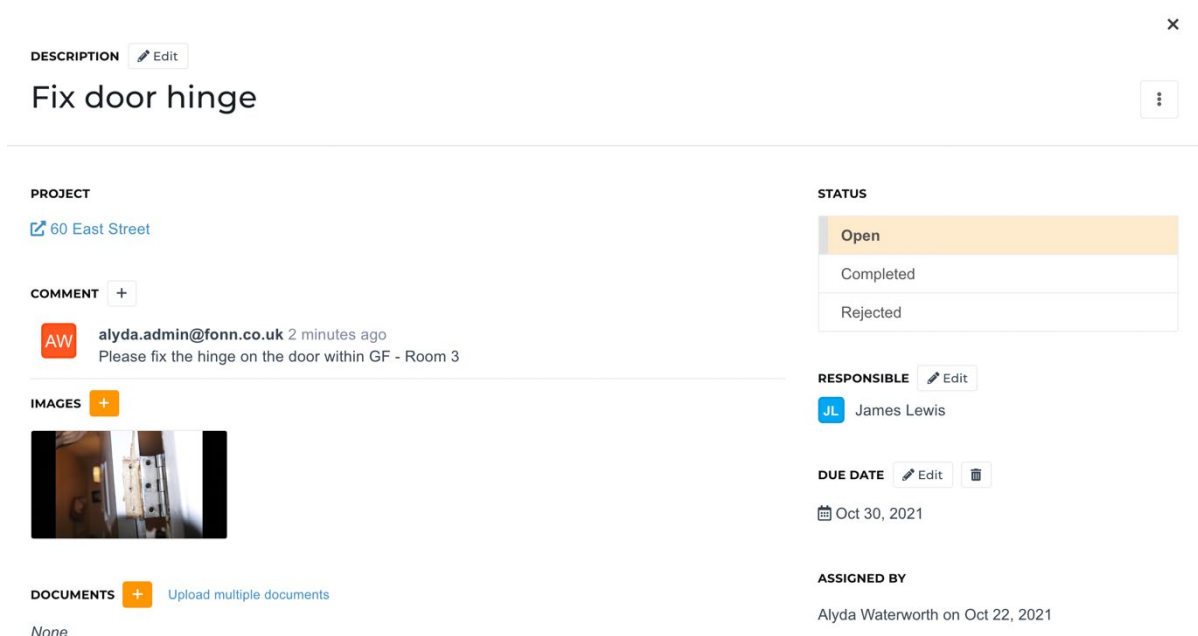

The responsible user will receive a push notification via their app to let them know a task has been assigned to them.

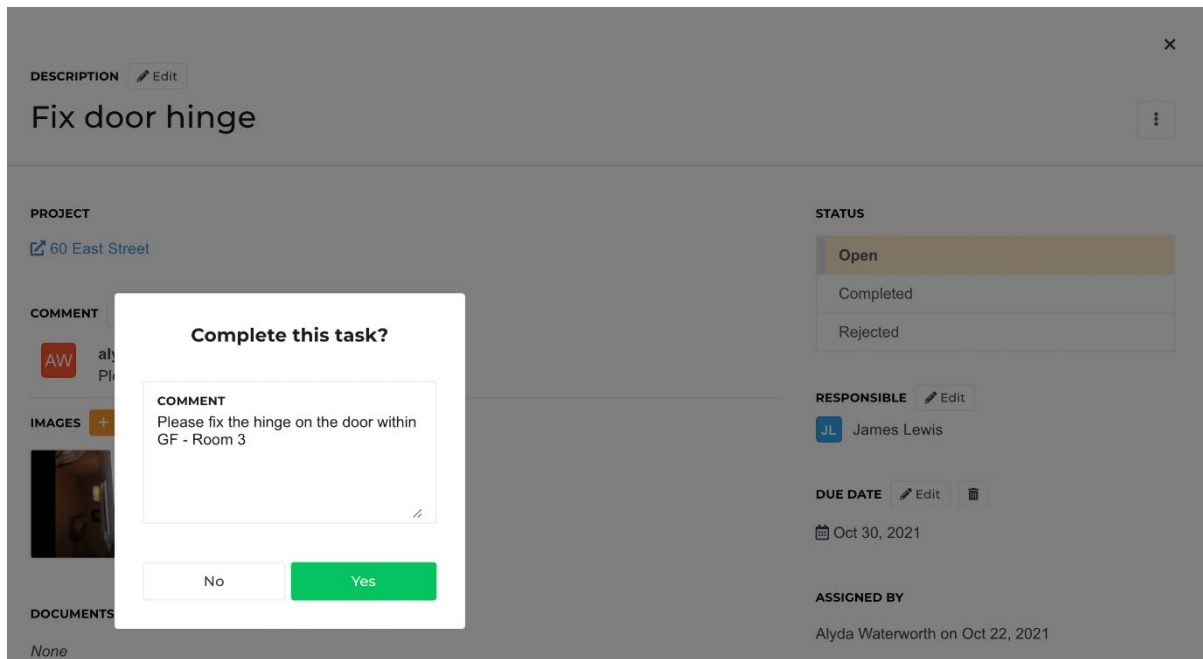

6. To add additional information, click on the blue Task title. This is a hyperlink.

The Task will expand; you will have the options to add additional information such as:

- Further comments
- Images
- Documents (Link an existing or upload a new document)

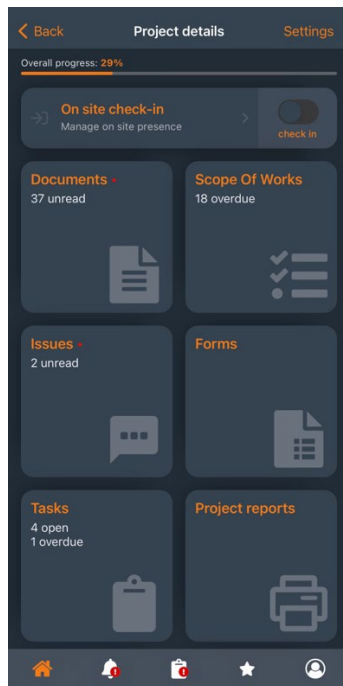

7. Additional information will be automatically saved once added.
8. When complete, the user should change the status of the Task to Complete by clicking the status on the right-hand side.
9. A pop-up will appear to add additional comments before the Task is closed.

10. The Task is now complete.

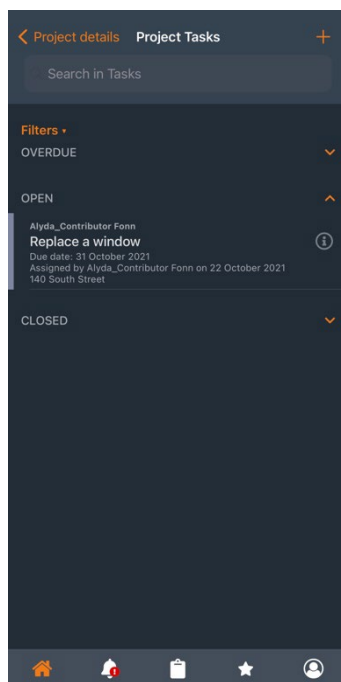

## Creating a Task on app

1. Go to your project
2. Select the 'Tasks' tab

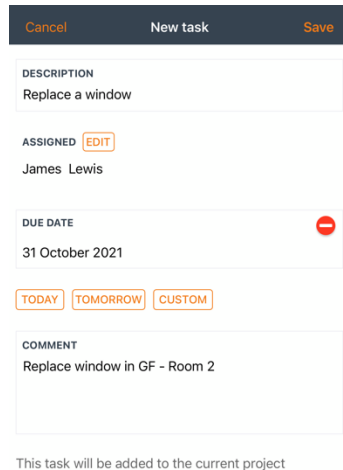

3. You will see any Tasks currently assigned to you within the following categories:

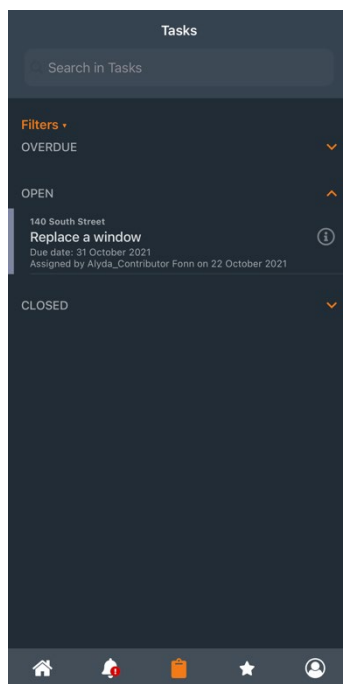

- Overdue = Tasks not completed & due date has passed
- Open = Tasks not completed but still within due date
- Closed = Tasks completed

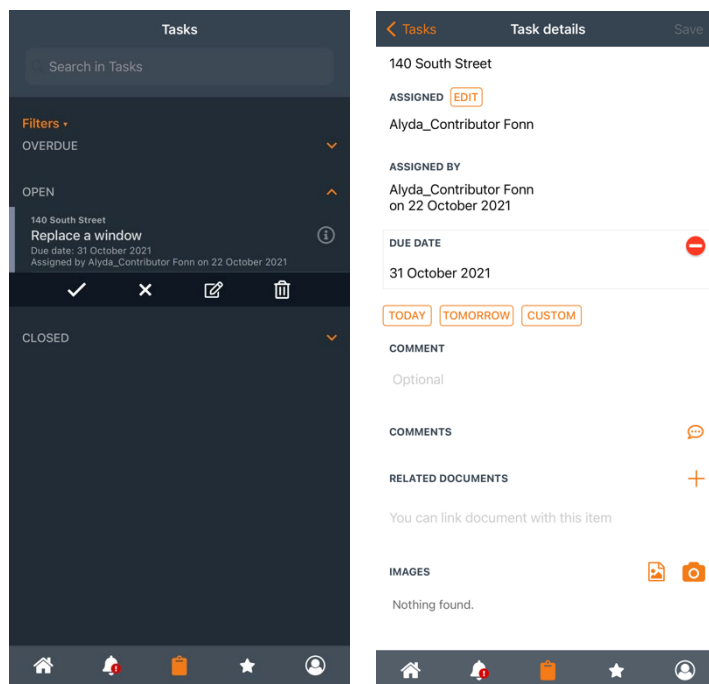

- To add a new Task, click the + icon at the top right of the screen  
Fill out the Task details, then click Save.

- The responsible user will receive a push notification via their app to let them know a task has been assigned to them.
- To view your Tasks, click the 'Clipboard' Icon on your bottom menu

7. To edit a Task or add additional information, tap the Task, then click the edit icon.
  - To view additional comments, click the speech bubble icon next to 'Comments'
  - To add related documents, click the + icon
  - To add images, click the gallery or camera icon.

8. To mark a Task as complete, simply click the tick icon  
You will have the option to add a comment before completing the task.
